

## Hello there,

Welcome to Local FM's semi-regular newsletter. Your source for local events, station news, and newly added music. This newsletter is a doozy! If anything catches your eye, feel free to send an email to the relevant staff member.

We'd also like to extend our gratitude, appreciation, and absolute joy for all the support FunDrive2017 received. We'd also like to say thank you to all of our programmers who performed so well over the FunDrive week. We'll have the final tally within a few weeks, but we're very optimistic about it.

## Station News

### UPCOMING - AGM (Nov. 26th)

As members of the Campus Radio Saint John (CRSJ) inc. you're invited to attend our upcoming annual general meeting. This meeting is when our members can exercise their voting rights to have a say in the operations of both the CRSJ and Local-FM. We encourage everyone to take a look at our [AGM Package](#) to see what we'll be discussing. If you have any questions, please email [Glen](#). The AGM is scheduled for **November 26th, at 1PM** and will be held on the UNBSJ campus, in the Whitebone Lounge on the second floor of the Thomas J. Condon Student Centre. Treats will be provided!

### INTRODUCING OUR NEW VOLUNTEER MUSIC COORDINATOR

[Brandon Logan](#), host of Local-FM's "Pointless Filler" (heard every Tuesday at 5 pm) has accepted the position of Volunteer Music Department Coordinator! Brandon brings great enthusiasm and a passion for all sorts of great music! Weekly, Brandon will be assisting (and already at times leading!) our Music Department processes, compiling weekly Earshot charts, auditing our digital music library and CD library and much much more!

If you have questions about the Music Department or would like to be involved as a volunteer in that area please contact [Brandon](#).

Welcome to the team, Brandon!

### **LOCAL-FM TO HOST HOMELESSNESS MARATHON 2018**

We're excited to announce that we'll once again be hosting the Homelessness Marathon! This broadcast marathon sees Community and Campus radio stations from across the nation collaboratively develop and air content on the issue of homelessness. HM18 will be held in February of next year, but we encourage all of you to begin developing content. If you have any questions, or would like to participate in HM18, please email [Glen](#)!

### **UPDATES - TECH, EQUIPMENT, DROPBOX**

Thanks to the UNBSJ Tech-Fee we've been able to update our computers! You'll notice that both studio PCs have been upgraded. You will be able to use them in exactly the same way as previously. We've also installed the new version of Audition for you to use to produce/edit audio. You'll be able to record and edit with Audition on both PCs. Please let [Stephanie](#) know if you'd like to book some time for quick training session with the new gear.

You'll also notice that the Dropbox has been significantly cleared up. Please remember to save any work you do in your own folder located within the "Volunteers,Shows" folder.

### **NEW PRODUCTION SHEET**

We'll be reaching out to local organizations and community groups about Public Service Announcements (PSAs) and Event Promos. All of these will be included [here](#). All volunteers are welcome to produce PSAs, Event and Show Promos, and Station IDs. Please make sure to follow the instructions on the sheet. If you'd like to connect with staff to discuss the process of making a PSA/Promo/ID, reach out to [Stephanie](#), who'll be able to help you with script writing and recording.

### **THE RETURN OF LOCAL RESPONDER**

[Stephanie](#) will be reintroducing "Local Responder," a program which interviews and highlights the radio programs created by Local-FM volunteers. Local Responder restarts on November 21<sup>st</sup> at 4:30 pm! The program will shed light on our volunteer's radio programs by digging into what brought them to Local-FM, what music or talk show ideas excite them and the importance of community radio to them. So far initial guests will include: Brandon Logan (of "Pointless Filler"), Andrea Kikuchi (of "Lorenzo in 30") and Cohen "The Wizard" O'Connor (of "Technicolour Dream")! Join host Stephanie every Tuesday from 4:30 pm – 5:00 pm for a snapshot of Local-FM culture and

the people that keep it amazing!

## PROGRAM REVIEW SEASON

'Tis the season for program reviews!
